

Newberry Hill Park Master Plan

Public Tours Through The Park

In response to a request from the public, our Stewardship Group volunteers have organized several tours of the park for those who would like to explore the land. The tours will take place rain or shine, so come prepared for the weather.

If you did not sign up at the January 12 Workshop, please call Lori Raymaker, Parks Stewardship Coordinator at 360-337-5372 or LRamake@co.kitsap.wa.us. Note: The Horseback tour requires an RSVP.

Thank you Stewardship Group volunteers!

Horseback: Equestrian style!

Saturday Jan. 16,

10:00am-1:00pm

RSVP Required

Ride is limited to 12 participants; therefore reservations are required.

Participants must bring their own horse and tack.

Optional lunch - If you are interested in participating in lunch after the ride, bring your own lawn chair. Coffee, cookies, and chili will be provided!

With ride leaders Gail Rase and Jean Young we will explore the trails of Newberry Hill Heritage Park. Our ride will take us through various terrains and around a wetland area that are head waters for Chico Creek. Gail will explain some of the history of the property and identify some of the abundant wildlife you will see. This ride is for experienced horseback riders. A short portion of the ride will be along a road and crossing Seabeck Highway, so your horse must be accustomed to riding on a roadway as well as dirt trails.

Where to meet: Meet at 5125 Gross Road approximately 1 mile west on Gross Road from Seabeck Highway. There is adequate parking for horse trailers. Arrive at 10:00 am and be saddled and ready to hit the trail at 11:00AM.

Bike: Overall View of the Park

Saturday Jan. 23

10:00am-12:00pm

No RSVP Required

Join park stewardship members, Mike Wellborn and Dave Leenstra on this easy bicycle tour of Newberry Hill Heritage Park. We will explore a little over five miles of trails to get an overall picture of the Park. Expect to see beautiful views and possibly some wildlife as you pedal your way through the north and south ends of the park. Bicyclists must wear helmets and bikes must be in good condition. Participants must be very familiar with the operation of gears and brakes. Bike gloves are very helpful for warmth as well as safety. Bring water and a snack.

Where to meet: Meet at the entrance to Klahowya School by the large white "K". Parking is limited, so please carpool.
